

COILING HEADS

**NEW AND
IMPROVED**

Collapsible Coilers - Standard & Custom Sizes

Available in either Aluminum or Steel, Collapsible Coilers are crafted to be used with our shafted and shaftless machinery. They are easily connected and removed, saving many manhours of labor. These coilers are available in several standard sizes (See chart on back).

**Radiused ID pads for a Uniform Coil ID!
Notched with pads - prevents snagging!
Steel Coilers are now 8lbs lighter!**

Shown above is a 7C-6 Steel Coiler in Coiling Position.
Available in lightweight aluminum.

COILING HEADS

Collapsible Coilers - Standard & Custom Sizes

Special Features Available

- Non-scuff coated surface to prevent scarring of sensitive material.
- COILER GUARD: For those applications requiring an enclosed coiler for safety purposes (easily removed and stored when not in use).
- Exclusive Coiler Quick Disconnect feature available on Reel-O-Matic machinery
- Powered Collapse Feature

Sample Coiler Dimensions
